The Copy Desk Daily highlights recommended news and opinion articles that have crossed the copy editors' desks on their way to you: National Catholic Reporter, Global Sisters Report and EarthBeat (NCR's project on faith and climate change).

Disasters in the news:

- Church workers join aid distribution after Jakarta floods leave 60 dead
- Australian Catholics seek prayers as fires continue in four states
- A sister's response from Australia: Our sun-burnt country

A positive outcome: Miami man met his future kidney donor at Catholic retreat

A mixed outcome, but a story of courage on NCR's EarthBeat: <u>Defending her village</u>, <u>consecrated woman lost everything but stopped a dam</u>
