In this live conversation, the final in a series of four, NCR engagement editor Brittany Wilmes speaks with Franciscan Fr. Richard Rohr about Lenten spirituality.

Background reading (and viewing):

- In his column on NCR, Rohr says that thanks to modern science, the Resurrection to him no longer seems like a huge of act of faith in a onetime miracle that no one can prove.
- Soul Seeing, which is edited by Michael Leach, is a regular NCR column focused on spirituality and the "peace beyond all understanding." You can read all Soul Seeing columns here.
- You can also explore the archive of Soul Seeing columns for the Lenten season by clicking here.
- Our earlier Soul Seeing for Lent conversations featured Fr. Daniel Horan, Natalia Imperatori Lee and Benedictine Sr. Joan Chittister.
