

Notice about John Allen's Friday column

John L. Allen Jr. | Apr. 18, 2008 All Things Catholic

John Allen's coverage of Pope Benedict's trip to the U.S. has kept him from writing a column today, but Allen is filing audio reports on the pope's trip twice daily at [NCRonline.org](https://www.ncronline.org) [1].

You can see some of his daily writing here: johnallen.ncrcafe.org [2].

Check NCRonline.org and read National Catholic Reporter for Allen's extensive analysis of the trip all next week.
