Thomas Gumbleton | May. 15, 2008 | The Peace Pulpit

What should appear on this page is the homily Bishop Thomas Gumbleton preached on Pentecost Sunday. Unfortunately, a technical glitch means that the homily was not recorded and so no transcript could be made.

As it happens, we do have a transcript and recording of a Pentecost homily by Jesuit Fr. John Dear. You can read the transcript and listen to the recording by following this link: [The Pentecost of peace](#) [1].

A homily by Bishop Gumbleton will appear next week.
