Joe Feuerherd | May. 15, 2009 NCR Today

From a [Gallup poll\[1\]](#), findings released today: "The source of the shift in abortion views is clear in the Gallup Values and Beliefs survey. The percentage of Republicans (including independents who lean Republican) calling themselves "pro-life" rose by 10 points over the past year, from 60% to 70%, while there has been essentially no change in the views of Democrats and Democratic leaners."
