

Deacon follows skies, stars, rails on vocation journey

Tom Gallagher | May. 21, 2009 NCR Today

An [earlier posting](#) [1] of mine reported on teenage boys entering the seminary in Arkansas. That's juxtaposed to this late vocation, [Deacon Douglas Ebert](#) [2], being ordained later this month for the Archdiocese of St. Paul-Minneapolis. One can envision soon-to-be Father Ebert having a terrific pastoral presence and preaching from a reservoir of experience in the days ahead. Congrats to Deacon Ebert.
