

Sotomayor & Diaz

Tom Gallagher | May. 28, 2009 NCR Today

Here's Tom Reese's piece on Sotomayor & Diaz. ([Las Nuevas Caras de American Catholicismo](#) [1] or The New Face of American Catholicism) What's interesting is President Obama's outreach to Cuba and nominating a Cuban American ambassador to the Vatican.

Perhaps real change can occur in Cuba with the U.S. and Vatican teaming up.
