The murder of Dr. George Tiller.

by Dennis Coday

NCR Today

Priests for Life founder Fr. Frank Pavone is on Morning Air with Sean Herriott discussing the murder of Wichita, Kan., Dr. George Tiller. Listen to it Pavone on the Catholic radio network Relevant Radio or on the internet.

Here's the statement Fr. Pavone issued yesterday (May 31) shortly after the murder:

"I am saddened to hear of the killing of George Tiller this morning. At this point, we do not know the motives of this act, or who is behind it, whether an angry post-abortive man or woman, or a misguided activist, or an enemy within the abortion industry, or a political enemy frustrated with the way Tiller has escaped prosecution. We should not jump to conclusions or rush to judgment.

"But whatever the motives, we at Priests for Life continue to insist on a culture in which violence is never seen as the solution to any problem. Every life has to be protected, without regard to their age or views or actions."
