

Has Pope Benedict visited Medjugorje sub secreto?

Thomas C. Fox | Jun. 29, 2009 NCR Today

So as Medjugorje celebrates the 28th anniversary this week of the first reported

apparitions of the Virgin Mary there is discussion as to whether or not Pope Benedict has ever visited the Croatian town.

Pope John Paul II never journeyed to Medjugorje. Some visitors to [Medjugorje are claiming several sightings, some years back, of then Cardinal Joseph Ratzinger](#), [1] now, Pope Benedict XVI and, they say, the cardinal was keeping his profile quite low.
