

Eucharistic Adoration, Back Bay Boston

Tom Gallagher | Aug. 10, 2009 NCR Today

Michael Paulson of *The Boston Globe* writes a fine article on the return of [Eucharistic Adoration at St. Clement Shrine](#) [1] in the City of Boston. Apparently, the practice was re-ignited by a few lay people, and not because the New York Yankees just swept the Boston Red Sox in four straight games this past weekend. No. This has been in the works for some time. Good for them.
