

Tom Fox on PBS

Dennis Coday | Aug. 19, 2009 NCR Today

I sit 15 feet from him but didn't know this until I got a press release.

In its next broadcast, Religion & Ethics Newsweekly, the weekly PBS newsmagazine show, substitute anchor Deborah Potter will be quizzing NCR editor Tom Fox about the Vatican's investigation of U.S. women's religious orders and whether the religious women are "straying" from church doctrine.

The show is to be taped and released on Friday (Aug. 21). Check your local PBS station for broadcast times in your area, or watch the episode online at <http://www.pbs.org/religionandethics/>
