

A reader suggests you read this

Dennis Coday | Sep. 8, 2009

An New Jersey NCR reader sent a note with web link, suggesting a piece that he thought other NCR readers might be interested in seeing. The link takes you to the blog Religion Dispatches.

The title, which pretty much sums up the article itself, is [Conservative 'Cafeteria Catholics' Favor Opposition to Gay Marriage Over Health Care](#) [1].

Source URL (retrieved on 05/25/2017 - 21:05): <https://www.ncronline.org/blogs/reader-suggests-you-read>
