

Inquisition's Questions

Ken Briggs | Sep. 9, 2009 NCR Today

My gratitude to Tom Fox for fetching [those questions](#) [1] from the list of those being used to investigate American sisters. They undermine any pretense of neutrality. They are loaded with unsubstantiated, prejudicial assumptions that further highlight a punitive agenda. On a related note, the whole purgative purpose seems to me to violate the meaning of "Visitation" in Catholic tradition.
