

New Mexico church may hold answers for the future

Tom Roberts | Sep. 30, 2009

15th in the series

ALBUQUERQUE AND LAS CRUCES, N.M. -- New Mexico has about it an austere, out-of-the-way character, long stretches of desert and horizons of abraded, reddish mountains, evocative of the biblical quality of unseen significance. Few might look to New Mexico when conversation turns to the future of the church.

If so, they could be missing something. This land of hidden prospects might hold some answers for the future.
