

Interracial couple denied marriage license

Heidi Schlumpf | Oct. 15, 2009 NCR Today

A white Louisiana justice of the peace [refused to issue a marriage license](#) [1] to an interracial couple, saying, "I just don't believe in mixing the races that way." Justice Keith Bardwell insists he is not a racist. "I have piles and piles of black friends," he told the Associated Press.

This happened last week. In 2009. No joke. To those who think racism is a thing of the past, think again.

Maybe refusing to marry gays and lesbians will look as ridiculous in a few decades.
