Read a review and an excerpt

NCR Today

This is John Allen's blog and he'll be doing the color commentary here (to stretch even further the baseball analogy he began earlier this morning), but I thought I should alert readers of this blog that the review of John's book is the NCR Book Club selection this week.

Reviewing it is Jesuit Fr. John W. O'Malley, a church historian and professor of theology at Georgetown University in Washington. Here's the review: **A new Catholic horizon.**

There is also an excerpt of the book available here: **The horizontal dimension**
