

## Bishops take health care fight to senate

Dennis Coday | Nov. 13, 2009 NCR Today

Feeling their oats from influencing the House vote on health care reform, the U.S. bishops are trying to use its influence to shape the Senate bill.

Thus reports Susan Ferrechio, the Chief Congressional Correspondent for WashingtonExaminer.com in an article titled: [Bishops flex muscle in Congress and with Catholic lawmakers at home](#) [1].
