

## SOA: A travelogue of photos

Joshua J. McElwee | Nov. 21, 2009 NCR Today

While here at the School of the Americas Watch vigil in Columbus, Ga. I've been busy taking many photos. To give you an idea of what I've been experiencing, here is a slide-show of some of them.

Fair warning: these photos have not been edited in any way. But, as a whole they provide some idea of what it's like to travel to the vigil and conference near Fort Benning.

Click on the 'read more' link to see the show!
