

Reactions to the Obama Afghanistan Speech

Thomas C. Fox | Dec. 2, 2009 NCR Today

President Obama laid out his plan for the buildup of U.S. troops in Afghanistan Tuesday night in a speech at the United States Military Academy, saying that "our security is at stake."

The president used the speech to announce the ordering of an additional 30,000 troops to the region, as well as his intention to begin drawing down U.S forces within the next three years. [Click here](#) [1] for a roundup of analysis and reactions.
