Just got this media release from the Pew Forum on Religion & Public Life:

### Who Is Friendly Toward Religion?

More Americans continue to view the Republican Party as friendly toward religion (48%) than rate the Democratic Party that way (29%). President Barack Obama's administration, however, is seen as friendly toward religion by more people (37%) than the Democratic Party as a whole. And all three get higher ratings for friendliness toward religion than the news media (14%), scientists (12%) or Hollywood (11%).
