

Tensions over Pius XII surface in pope's synagogue visit

John L. Allen Jr. | Jan. 17, 2010 NCR Today

By JOHN L. ALLEN JR.

Heading into Pope Benedict XVI's much-anticipated Jan. 17 visit to the Great Synagogue of Rome, one towering question loomed. What impact would the recent move towards sainthood for Pope Pius XII, the wartime pontiff whose alleged "silence" on the Holocaust has long fueled controversy, have on the broader Jewish/Catholic relationship?

In the wake of the visit on Sunday, two answers seem equally clear.
