

## MSW on Kiesle Case

Michael Sean Winters | Apr. 12, 2010 NCR Today

I do not normally cross-reference my blog posts at America magazine here, or vice-versa. But the coverage in the MSM of the "smoking gun" regarding then-Cardinal Ratzinger's handling of the case of Father Kiesle was so bad, the failure to ask simple questions so obvious, that I wish to share my concerns with as many as possible. Here is the [link](#) [1].

I shall be posting later today here on the subject of the anniversary of the death of Franklin Delano Roosevelt.
