

Must Read: Profile of Kagan

Michael Sean Winters | Jun. 10, 2010 NCR Today

The Post this morning has a [fascinating portrait](#) [1] of Elena Kagan that helps fill-in the picture of this so far opaque nominee. The profile of Kagan also serves as a portrait of the parochial world of the contemporary liberal academy, although one wishes the authors had focused more on how that milieu is not just socially narrow but intellectually too.
