

Just leave the Constitution alone

Demetria Martinez | Aug. 20, 2010 NCR Today

Redemptorist Fr. Ricardo Elford of Tucson, Ariz., has issued a call to America's political leaders in his latest blog, "Crazier by the Day."

"Good old boys, just calm down and leave the Constitution alone," writes Elford. He refers here to politicians who would deny citizenship to children born in the United States to undocumented workers.

To read more of Elford's commentary on the "looniness" that has come to characterize American political life, click on <http://elford.blogspot.com>
