Yahoo Watch: Inside Catholic

by Michael Sean Winters

Distinctly Catholic

Over at InsideCatholic, Deal Hudson asks "Why is the Archdiocese of Chicago Funding Protests Against the Arizona Diamondbacks?" But, he doesn't answer the question, choosing instead to continue his campaign against the Catholic Campaign for Human Development. He does quote another blogger to the effect that life issues are social justice issues, which is a point always worth making, although many people do not see it that way, which is a burden for both sides of the Catholic political debates.

But, here is an answer to the question: Because protesting against the racist anti-immigrant law in Arizona is the right thing to do.
