

Making the most of a small space

Rich Heffern | Aug. 26, 2010 NCR Today

Steve Sauer's 182-square-foot Seattle [condo](#) [1] shows the value of a good fit, from the soaking tub built into the entry floor to the "video lounge" tucked beneath the "cafe area." He used the compact and efficient design of boat cabins as a model. He wanted his living space to be designed in such a way that "it squirted me out into the community."
