

## Wieseltier on the Mosque

Michael Sean Winters | Sep. 7, 2010 Distinctly Catholic

When I was growing up, I wanted to write like Leon Wieseltier. I also wanted to play baseball like Carl Yastrzemski. Both desires came up against the reality that I lacked the talent my dreams inspired. Fortunately, we can still read Wiesletier's elegant writings and from the start of the controversy about the planned mosque in lower Manhattan, I knew that Leon would not only write the last word, but the definitive word, on the subject. [Here it is](#) [1].
