Yahoo Watch: John Zmirak

Distinctly Catholic

Just when you thought that at least Catholics of all stripes understood we have no business telling Muslims when or where they can build a mosque, along comes Mr. John Zmirak writing in the pages of InsideCatholic.com.

Zmirak's unique contribution to the debate is to lay it at the feet of multiculturalism. Thus, he writes, "Bishops throughout Europe are so desperate to maintain their multiculturalist bona fides that they tacitly support the ongoing influx of orthodox Muslims into their countries and echo the false charges of racism against those who fear the imposition of Islamic law." Zmirak advocates attending a rally this coming Saturday to protest the mosque. I will say this. If you want to go see a bunch of bigots, at least now we know where to go to see them. Maybe they will burn a few Korans while they are there!
