

New Polls From Politico

Michael Sean Winters | Sep. 17, 2010 Distinctly Catholic

I have been looking at a lot of poll numbers recently, but what I like about the [new Politico poll](#) [1] is that it was done jointly by a GOP and a Dem firm, and it provides analysis from both. It is interesting to see two professionals look at the same set of data and see the silver linings for their side, a cautionary tale about the role of "experts" in political commentary.
