

Note To Readers: Timing

Michael Sean Winters | Sep. 29, 2010 Distinctly Catholic

Regular readers are used to seeing the Q & A posted around noontime, but the past two days, our guest interviewee all week, blogger extraordinaire, Rocco Palmo, asked for more time to give fuller replies. Don't stand in the way of a great artist, I remember being told, so I apologize for the delays in posting but am sure you will agree that the wait was worth it. Check out Rocco's two posts below and look for more the rest of the week.
