

Fire Rick Sanchez

Michael Sean Winters | Oct. 1, 2010 Distinctly Catholic

I do not know if CNN's Rick Sanchez will get fired because of [his anti-Semitic remarks](#) [1]. But, I don't really care why he is fired. I care that he is fired. He is dreadful. Self-referential. A bad interviewer. An ambulance chaser. Incapable of simply dealing with the technological challenges of being a host and, instead, constantly sharing with his viewers whatever his producer is whispering into his ear. On top of all that, now we know he is a bigot. Good riddance.
