Matthew25 Launches First Values Ad

by Michael Sean Winters

Distinctly Catholic

The progressive ecumenical group, Matthew25Network, has come up with an ad that it is running in Southside Virginia, where Tom Perriello is running for re-election. It is an area with many churches as readers of my article on that race will recognize. So far as I can tell, this is the first radio ad to specifically focus on values voters and it is running on Christian radio stations.
