

Election Updates

Michael Sean Winters | Oct. 25, 2010 | Distinctly Catholic

If you go to NCR's "[Election Central](#) [1]," I have updated all the Senate races and hope to have the House races done by tomorrow morning and the Governor's races by Wednesday (maybe Thursday). The updates include the most recent polling data and news from the races, as well as some links to articles run elsewhere in NCR on those races.
