

NCR & MSW: Ahead of the Curve

Michael Sean Winters | Oct. 29, 2010 Distinctly Catholic

It is fun for me to watch all the news coverage of the congressional race in Virginia's Fifth Congressional District. Cong. Tom Perriello is on the front page of *The Washington Post*, in the top spot on Politico, etc.

Of course, here at *NCR*, [we ran a profile](#) [1] of Perriello in June of 2009!

The first entry in the "[Election Time](#)" [2] series was for VA-5.

And, more than two weeks ago, we ran an [in-depth analysis](#) [3] of the race.

To our friends in the mainstream media, welcome to VA-5. Better late than never.
