

Beyond Yahoo: The Real Story about Obama

Michael Sean Winters | Nov. 10, 2010 Distinctly Catholic

I had not been introduced to Colleen Thomas until today. I am delighted to be able to introduce you to her.

I have not been shy about calling out crazies on the left as well as the right, but the left has no one that can hold a candle to Miss Thomas.

Check out 2:19, where she explains why the Pope wears red shoes.
