

Yahoo Watch: Anti-Enviro Evangelicals

Michael Sean Winters | Nov. 29, 2010 Distinctly Catholic

For the discerning holiday shopper, [a new DVD set](#) [1] that explains why environmentalists, aka the "Green Dragon," are evil.

Tony Perkins et al. should be ashamed of themselves. You would think that people who are so eager to teach "creationism" in the public schools would be a little more solicitous of Creation. But, you would not be thinking like a modern day conservative politico, would you.
