

## First Lady Joins President for Christmas Message

Michael Sean Winters | Dec. 25, 2010 Distinctly Catholic

What was once the weekly radio address is now a weekly video address, delivered every Saturday by the President. This Saturday, of course, is also Christmas and so the First Lady joined the President to send special greetings to the troops and to offer ideas for the rest of us on what we can do to help our troops and their families at this time of year when they are unable to enjoy the thing we most enjoy about the holiday, time with our loved one.

You can watch the video message [here](#) [1].
