Distinguished Notre Dame University theologian and author, Fr. Richard McBrien, is joining the line up of NCR web columnists. A new column from Fr. McBrien's longrunning syndicated column, *Essays in Theology*, will be posted to NCRonline.org every Monday morning.

McBrien's column has appeared in NCR's print edition over the years, but we could never run all of them. Now we can on the web. NCR editor's welcomes Fr. McBrien to our web site.
