

More on the Health Care Critics

Michael Sean Winters | Feb. 4, 2011 | Distinctly Catholic

Jonathan Cohn at The New Republic has written more intelligently, and informedly, on health care reform than any other journalist - by a long shot. He continues his critique of those who seek to repeal the bill [here](#) [1]. It is important that those of us who care about health care reform arm ourselves with sound arguments, and Cohn's are some of the sharpest.
