

Vox Nova, Wisconsin & Laborem Exercens

Michael Sean Winters | Feb. 25, 2011 | Distinctly Catholic

Our friends at [Vox Nova look](#) [1] at the union-busting in Wisconsin through the lens of *Laborem Exercens*. Towards the end of his life, Pope John Paul II was asked which of his three social encyclicals was his favorite and he cited *Laborem*, his first, as his favorite. It is mine too. One wishes that there was a single Catholic Republican in the Wisconsin legislature who would read it and think twice before continuing with the assault on workers rights.
