Mark Silk v. Bill Donohue: Round II

by Michael Sean Winters

Distinctly Catholic

Once again, Bill Donohue has managed to "step in it." An intellectual fight between Silk and Donohue is not really a fair fight, of course. Silk is learned, measured, thoughtful. Donohue is all bombast. But, shame on Donohue for feeding the flames of fear surrounding sharia law. The Crusader mentality is not made less medieval and frightening because it now comes via the Internet.
