

Church & State: A Briefing Paper from Pew

Michael Sean Winters | Apr. 1, 2011 | Distinctly Catholic

The Pew Forum on Religion and Public Life has posted an update of its basic "[white paper](#) [1]" on church-state issues in the courts, noting the Supreme Court's decision to grant cert in *Hosanna Tabor Church v. EEOC*, about which [I blogged earlier this week](#) [2].

The Pew paper offers a concise overview of the legal and constitutional issues involved and is a good starting point for anyone trying to get their heads around these very complicated issues.
