God and Moses with Google

Need something to lighten up your Holy Week? AISH.com (home of "Ask the Rabbi" and Jewlarious) has this really funny take on what the Exodus would have been like if God and Moses had Google. I know Holy Week is solemn, and Holy Thursday's commemoration of Jesus' Last Supper -- which three of the four Gospels infer was a Passover Seder although some folks argue it wasn't -- is serious business. Still, I think there's room for laughter this week. Take a tiny break from work and prayer to chuckle about how the Exodus would have been different if God, Moses and the Pharaoh had Google.
