

Congrats Rocco!

Michael Sean Winters | Apr. 27, 2011 Distinctly Catholic

All of us who blog about the Church have long looked to Rocco Palmo for inspiration...and for insider gossip! So, I was thrilled to see that at the upcoming "[blogfest at the Vatican](#)" [1], Rocco has been chosen to moderate one of the two scheduled panels. He follows Cardinal Ravasi, who will give opening remarks and, if you know Rocco, you can bet that the blogger will pidgeon-hole the cardinal while they exchange the microphone and Rocco will come away with another piece of insider info. Congrats Roc!
