

Please Give

Michael Sean Winters | May. 5, 2011 | Distinctly Catholic

At last weekend's White House Correspondent's Dinner, President Obama made a funny joke about NPR, asking if they were still there. As you recall, the House Republicans tried to cut off funding for that important news source.

NCR, unlike its secular equivalent, does not receive government funding, so we are entirely reliant on the support of our readers.

I am hoping that regular readers of Distinctly Catholic enjoy this feature, which was added since the webathon last year. I hope you will also consider giving generously so that this column, and all of NCR's many features, can continue. Thank you very much.
