

New Blog Discovery: Shirt of Flame

Michael Sean Winters | May. 18, 2011 | Distinctly Catholic

A dear friend just sent me a link to a blog I had not seen before, [Shirt of Flame](#) [1], which is written by Heather King. I am biased toward her, seeing as the entry I read was about one of my heroes, Monsignor Lorenzo Albacete, and one of the most intriguing religious issues of every age: desire.

This blog goes on to my favorites list and I recommend it go on yours.
