TNR's Cohn on Ryan-Dolan Exchange

by Michael Sean Winters

Distinctly Catholic

For a sense of how the letter exchange between Cong. Ryan and Archbishop Dolan is playing out in a non-Catholic world, Jonathan Cohn at the New Republic has an interesting take. Cohn has written admirably about how devoted Cong. Ryan is to Ayn Rand. My favorite video is this one in which he defends Rand's vision of the "morality of capitalism." And, in case you think, as Newt Gingrich does, that quoting someone's own words, taken in context, is somehow unfair, I will point out that Cong. Ryan not only made these remarks, he posted them on his own Facebook page.
