

## Must Read on Tax Reform

Michael Sean Winters | Jul. 25, 2011 Distinctly Catholic

TNR is having a banner day. In addition to Jonathan Chait's article noted below, [Mark Schmitt has a really smart article](#) [1] on tax reform and how the tax code is part of the reason for the growing income inequality that is one of America's most serious long-term threats to social stability. Really smart.
