

Glenn Beck Compares Norway Victims to Hitler Youth

Michael Sean Winters | Jul. 27, 2011 | Distinctly Catholic

Glenn Beck's venom has been on display for a long time, but even I was surprised at how low he stooped yesterday when [he compared the victims of the massacre in Norway to Hitler youth](#). [1]
He should be fired. He has a First Amendment right to say such vile nonsense, but it is insane that he receive a paycheck for doing so.
