

News bites -- the sequel

Sr. Rose Pacatte | Aug. 17, 2011 NCR Today

On August 15, I wrote about "News Bites" [on my blog](#) [1].

In today's *Los Angeles Times* [2], Stephen Baker, a former senior writer for Business Week and author of "[Final Jeopardy: Man vs. Machine and the Quest to Know Everything](#)" [3], reflects on Mitt Romney's August 11 sound bite, "Corporations are people, my friend."

Baker is to be applauded for his civil discourse on what speaks as whom.

The fact that Romney defaulted to this statement in his response to a heckler about corporations being people is worth much reflection, reflection that Mr. Baker offers here.

I hope his reflection bites us awake.

I rest my case.
